On Friday 11th May after school, the School Council will be holding a Bake Sale with Toy and Book Stall in aid of this term's charity, the Genesis Research Trust. This charity carries out research to find out why things sometimes go wrong in pregnancy and when babies are born too soon, an issue which has touched several families in our school community.

Please can you support the School Council by contributing cakes as well as good quality toys and books by Friday 11th May and by supporting the after school sale with your purchases. Thank you.

Cross Country News

Despite the weather, everyone ran their best last Friday at the Orchard Run, Sutton Valence. It was 2km and the course was very bumpy and uneven, so it was very hard to keep your balance. A special mention to Jake R who stopped to help another runner who had fallen over. By the end of the races, everyone was drenched.

Undersea Explorers

On Thursday we took part in an undersea explorers activity. We had to listen to the instructors very carefully. We were told to put a mask on and attach a snorkel to it. Then we had to swim around the pool to see what we could see. We saw an anemone, crabs, coca cola bottle, starfish, stingrays and lots of seaweed. We then had a relay race where we had to pick up the rubbish that was floating in the sea. The animals were in a marine conservation zone which is a place where people look after the wildlife really well by clearing rubbish. We really had a fun day.

A Team match report

On 3rd May Boughton Monchelsea football team played North Borough Primary School. It was a very close game with Boughton scoring the first goal, but shortly after, North Borough scored an equaliser at the end of the first half.

At the start of the second half Boughton were down to 7 men with no substitutes and began to tire. Then after a few minutes, with both sides putting in some close chances, Henry scored the winning goal, leaving the score 2-1.
