## Behaviour Policy Launch

We would like to invite parents and carers to a meeting on Wednesday 3<sup>rd</sup> April at 6pm for the launch of our revised Whole School Behaviour Policy. This year, we have been working closely with Pivotal Education to review our behaviour management systems to ensure that we have a consistent, effective approach throughout the school. We will be discussing how we reward positive behaviour and how we work to support children to demonstrate our school values of respect, responsibility, excellence and determination. We look forward to seeing you there.

Find out more about the Pivotal approach at [www.pivotaleducation.com](http://www.pivotaleducation.com)

## Car Park

Can we remind you that the school car park is not available for parents and carers to use when dropping children off or picking them up at the start and end of the school day. Thank you for your co-operation.

## Boughton Pride and Reading Trophies

The Pride trophy for the week beginning 25th February was awarded to Class R and the Buster's Book Club trophy went to Class 4.

Well done to both classes!

## Recycle with Michael

This month we are taking part in the Salvation Army's "Recycle with Michael" scheme. This is a great way to reduce textile waste, reuse unwanted clothing and raise money for good causes, as the proceeds will be split between the school and the Salvation Army. Your child will bring home a collection bag today to fill with suitable items and return to school before the bags are picked up from school on **Friday 29<sup>th</sup> March**.

Further bags are available from the school office.

Thank you for your support.

## Science/Art Week

Please collect clean plastics (hard or soft) and bring them in to school for the last week of term. Plenty will be needed for the whole school to use during Science/Art week. Thank you.

## Football News

On Wednesday Boughton Monchelsea had a fixture at home to East Borough. After a very open first seven minutes the score was already 2-2, after goals from Taylor and Jake. Then Astyn struck the ball on the edge of the box and sent the keeper flying in the wrong direction to make it 3-2 to Boughton.

Later in the first half a cross from Jake was deflected in by a defender, before Thomas created a tap-in for Bert, making the half-time score 5-2.

Boughton continued to score in the second half with goals from Jake and Astyn, and another own goal from a clearance by Taylor. Thomas got the goal he deserved a few minutes later. In the final minute Jake sent a through ball to Thomas who crossed for Harry to boot it in the back of the net for his first goal of the season, capping his rare run out field with a Man of the Match performance. The final score was 11-2.

On the other pitch there was a cracking match between the Boughton B team and the Year 4 football club. The Year 4s put in a very brave and enthusiastic performance, and even scored the first two goals of the game. At half-time it was still close, at 4-3 to the B team, but in the second half they pulled away and ran out 8-3 winners. The scorers in the game were Sully, William, Louie, Bert, Mason, Harry and Lewis. The children had a lot of fun and the match was played in a great spirit.
